SENDS HIM TWO SHARP NOTES

Said to Be Last Act of Diplomacy Unless There is a Change of Attitude.

Washington, Oct. 15, The United States government yesterday inform d Provisional President Victoriano Huerla that it looked with abhorcence and amazement upon his asislative powers in Mexico and that in view of his course could not reeard as constitutional the elections planned for the 26th.

Two notes, the one strongly phas ed and written by Secretary Bryan inquiring about the safety of the im prisoned members of the 'ongress and the other drawn in ferceful language by President Will on himself, are said to constitute practically the last efforts of the Washington government to deal with be fluerta authorities by diplomatic scans unless there is a decided hange of spirit on the part of the officials in Mexico City. The nego lations through John Lind, had procreased to the point where the state lepartment accepted the indorse ment of Frederico Gamboa for the presidency as meaning the climina ion of Huerta, and where it was confidently hoped that a fair and ree election would be held on Octo-

President Wilson has now made it fear that the Washington governcent has with the events of the last ow days, the imprisonment of the deputies and the establishment of a ictatorship by Huerta, lost all hope f seeing a constitutional efection held by the Huerta regime. The steps taken by the United States were formally communicated to all

foreign governments. Press dispatches late yesterday announced that Senor Querido Moeno. Mexican manister of foreign affairs, had characterized the Ameriean communications as "Intemperate." Official Washington last night awaited the formal reply being draft d by the Huerta administration,
